ABOUT US

Mirsamir Business Consulting Services (MBCS) is a leading provider of professional business consulting services to both domestic and international clients since 2011 in Afghanistan. We offer a comprehensive range of services, including business registration, business taxation, maintaining business license, work permits, visa services, digital marketing & social media management, information technology consulting, supply chain management consulting, business strategy & development, project management, human resource management, accounting & financial affairs, translation services, training services, legal advice, and more.

Our team of experts has extensive experience and knowledge of the Afghan market and its challenges and opportunities. We are committed to delivering high-quality results and solutions that meet our clients' needs and expectations.

MBCS is a proud subsidiary of XENON Group, a reputable and diversified company that has been operating in Afghanistan since 2011 under the law of the country. We are pleased to assist our clients from the inception to the completion of their projects in Afghanistan. Whether you are looking to start, expand, or improve your business in Afghanistan, MBCS is your trusted partner.
